THE FLEMING WRECK

No More Deaths, But Three Cannot Recover—Incidents of the Fatality

A late dispatch from Flemingsburg concerning the wreck on the Cincinnati, Flemingsburg and Southeastern Railroad, where two were killed and 18 injured, says:

"Several thousand persons visited the scene of the wreck. No deaths have been added to the list, but Mrs. Harry Thomas of Covington, crushed through the hips and kidneys, is in a dying condition. No change for the better has occurred in the condition of any of those seriously injured. The unknown men killed had been identified as Thomas A. Fowles of Morehead.

One of the most striking features of the wreck was that the sixteen-months-old daughter of Harry Thomas, who was sleeping in its mother's lap when the train and trestle went down, was the only one of 20 passengers on the train who escaped uninjured.

The husbands of Mrs. Myrtle Wheeler and Mrs. Sallie Graham, both of Covington, arrived here Saturday from Covington.

Mrs. Susan E. Fent slipped and broke her hip Saturday while waiting on Mrs. C. B. Rankin, a wreck victim.

A corps of trained nurses from Lexington and Louisville arrived Saturday afternoon. Sam S. Bush of Louisville, President of the company, arrived Saturday morning and ordered no expense to be spared in making the injured comfortable. The Times-Democrat, a leading weekly paper in Fleming county, urges a rigid investigation into the cause of the wreck, asserting that the trestle had been pronounced several times unfit for use.

Those omitted from the list of the seriously injured Saturday night are Mrs. Amelia Snodgrass, Mrs. Myrtle Wheeler and Mrs. Sallie Graham all of Covington.

The best account of the accident is given by Charles P. Duley, Freight and Passenger Agent at Flemingsburg, who was on the train for a business trip to Poplar Plains and Hillsboro.

He says that he was sitting on the left-hand side of the coach, next to the colored compartment, and as the train moved out on the trestle at a moderate rate of speed he was looking at the trestle, which is in a curve, and when the engine, freight car and coach were all on the trestle, the end of the coach being barely on the trestle, he saw one of the ends of the structure give way, when the whole structure collapsed, the whole train being turned or overset to the right, all piling up in a mass of wreckage at the bottom of the ravine, the coach standing on end at an angle of 45 degrees to the rear and about the same from left to right."

The funeral arrangements have not yet been completed and will be given later.

WANTED—A circus at Maysville. Any old kind will do. Don't write; just come.

It is announced that Mr. BRYAN would be a sure winner if he could secure all the votes of all the Democrats he has driven into the Republican party.

It is said at Washington that Senator CHAS. A. CULBERTSON of Texas has the best chance of being chosen minority leader in the Senate next December.

WOULD any one believe that such a beautiful and remarkable sentiment and editorial as the little one published below, could be found in the columns of The Wall Street Journal? It's a gem. Read it and remember it in your heart and soul as well as your head—

"The Human and the Divine—The mere human in us working alone barely earns expenses; it is the divine in us that yields dividends."

BISHOP BURGESS, of Long Island, put his veto upon the plan to have the marriage ceremony of WILLIAM ELLIS COREY and MABELLE GILMAN performed in the Protestant Episcopal Cathedral in Garden City, L. I. The Bishop said:

"No clergyman in the Episcopal diocese would perform such a ceremony where either of the parties had been divorced. I doubt very much whether any self-respecting minister could be found on Long Island to marry them."

FARMERS in all portions of the Burley District are preparing to plant a record-breaking crop, and at the present time there is more ground broken for tobacco than was ever known at this period of the season. The high prices demanded by the American Society of Equity is the cause of the increased acreage.

It is said that efforts are being made to induce GROVER CLEVELAND to make his fourth race for President. But Mr. CLEVELAND has hunted and fished a little bit too much to permit himself to be used as a decoy-duck, or a stool pigeon for certain astute politicians in his party. Another thing, Marse HENRI wouldn't permit GROVER to be trained on the Presidential race course.

At the meeting much was said about raising the price of the dollar weekly to \$1.25 or \$1.50, owing to the fact that everything that goes to make a paper (even brains) has raised in price.—*Carlisle Advocate*.

But, "Colonel," you haven't the audacity to say that editorial brains have any market value and stand any possible chance of a raise in price? You can buy hog brains and calf brains at the butcher's, but the public is accustomed to working the "free" racket as far as editorial brains are concerned. Please don't allow yourself to indulge in another such a brainstorm.

"I'm not expecting any package," said Mrs. Hamlet to the driver of the delivery wagon, who was persistent. "This is the number," insisted the driver, looking to the book again.
"Name's Hamlet, ain't it?"

"No. 47?"
"That's our number."
"Then it's for you."
"I think not. It must be a case of mistaken identity."
"No mum. It's a case of beer."

Orville, eight-year-old son of Richard Jones, colored, of Lewishburg, died Saturday and was buried today at 11 o'clock in Lewishburg Cemetery.
The alarm of fire Saturday evening was caused by a small blaze at Leonard & Lalley's tin store in Market street, which was extinguished with a trifling loss.

SPIRITUALIST SEANCE

Sunday afternoon—Boston Lady Spellbinders Auditors

Sunday afternoon at 3 o'clock, Mrs. Porter of Boston, Mass., the celebrated spiritualistic medium and lecturer, delivered an address and gave a "seance" at Grand Army Hall in the Masonic Temple building to quite a large number of persons, among them being some of Maysville's prominent and representative men and women.

Mrs. Porter's lecture and "manifestations" were the wonder and mystification of the afternoon, and by her spiritualistic power she performed many feats in mental gymnastic which set her auditors to thinking deeply.

The donor can, if he so desires, designate the object for which his gift is to be devoted.

The average salary of the Episcopal clergymen of the United States is only \$600. It is plain, therefore, that very few of the clergymen can make any provision for the support in old age. Many laymen have expressed the hope that a good slice of this thank offering might be given to the general clergy relief fund, which is managed by a very intelligent Board of Trustees in Philadelphia.

a pretty face, a good figure, but sooner or later learn that the healthy, happy, contented woman is most of all to be admired.

Women troubled with fainting spells, irregularities, nervous irritability, backache, the "blues," and those dreadful dragging sensations, cannot hope to be happy or popular, and advancement in either home, business or social life is impossible.

The cause of these troubles, however, yields quickly to Lydia E. Pinkham's Vegetable Compound made from native roots and herbs. It acts at once upon the organ afflicted and the nerve centers, dispelling especially all those distressing symptoms. No other medicine in the country has received such unqualified endorsement or has such a record of cures of female ills as has

Lydia E. Pinkham's Vegetable Compound

Miss Emma Runtzler, of 631 State St., Schenectady, N. Y., writes:—"For a long time I was troubled with a weakness which seemed to drain all my strength away. I had dull headaches, was nervous, irritable, and all worn out. Chancing to read one of your advertisements of a case similar to mine cured by Lydia E. Pinkham's Vegetable Compound, I decided to try it and I cannot express my gratitude for the benefit received. I am entirely well and feel like a new person."

Lydia E. Pinkham's Vegetable Compound is the most successful remedy for all forms of Female Complaints, Weak Back, Falling and Displacements, Inflammation and Ulceration, and is invaluable in preparing for childbirth and the Change of Life.

Women suffering from any form of female weakness are invited to promptly communicate with Mrs. Pinkham, at Lynn, Mass. Her advice is free and always helpful.

The readers of this paper will be pleased to learn that there is at least one dread disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient's strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

Address F. J. CHENEY & CO., Toledo, O. Sold by all Druggists, 75c. Take Hall's Family Pill for constipation.

Correspondence

MOUNT QILEAD.

Mrs. Osie Calvert is now at Mr. Frank Lee's. We appreciate the kind notice of the Foxport correspondent.

Mr. Wood Bramel and family are still in Lexington and delighted with his insurance business.

Mrs. J. L. Savage from North Carolina was around a few days ago visiting her relatives and friends.

It continues to rain and no corn planted yet. Oats not come good and taken with weeds, and gardens uncertain and fruit scarce.

We learn from a letter written by Mrs. Lizzie Amanda Calvert to her aunt, Mrs. Salie Stone, that she is overjoyed in her housekeeping in Kansas, being blessed with the kind and loving treatment of her relatives.

Miss Lizzie Clay Stone was at her home a few days and returned to her school at Paris last Monday, in charge of her sister, Minnie, who is to remain in Paris for an indefinite time under the immediate care of Dr. Stuart Wallingford, her cousin.

FAIR GROUND.

Mrs. Ella Mitchell was shopping in Maysville Thursday.

Master Earl Burns has recovered from a severe illness.

The Nomads, a literary club of Maysville, which has always stood for plain living and high thinking, has relieved the strenuous mental strain under which they have labored this winter by a number of beautiful social functions.

Saturday merited another among the number.

This was a most elaborate and sumptuous luncheon given by Mrs. John Hunt, the President of the Club, to the Misses Hays, who this year sever their connection with the Club.

They, with the exception of Mrs. Hunt, are the only charter members of the Nomads, which has been in existence some fifteen years.

The gracious hostess spared nothing to make the entertainment one long to be remembered by the members of this exclusive circle that has done so much to uphold the literary standard of our little city.

INTEREST MONEY!

It costs you nothing to open an account with us, and we will take your account, large or small, with equal pleasure.

There Are Many Reasons Why

You should buy your Buggies and Harness from us. We carry a full and complete line of vehicles and harness of every kind and have a large stock on hand to select from. We have our buggies built by old and reliable manufacturers who understand their business and employ only first-class mechanics, therefore turning out buggies that will stand the test. We put on our own rubber tires and know just what we give you. We buy our rubber fresh, direct from the manufacturers, therefore insuring you a good rubber tire that will wear. Call and look is all we ask and be convinced. A satisfied customer is our motto, for your satisfaction is our success. Yours respectfully,

Mrs. Bettle Pugh of Tollesboro was visiting Mrs. Fannie Pugh, Friday.

Miss Leone Ryan of Portsmouth, O., was visiting her brother, Mr. Henry Ryan.

Mr. Martin Sweet of this place was calling on Miss Ida Hull of Rectorville, Sunday last.

Miss Myrtle Milford has returned to her home in Cincinnati, after a delightful visit here with relatives.

Mr. and Mrs. Albert Bococh and little son, James of the East End were visiting her mother, Mrs. E. M. Cobb, Sunday last.

There is said to be an abundance of tobacco plants, and the farmers are preparing to plant a bumper crop.

All the Banks in the city will close at 12 o'clock noon on Wednesday and Thursday on account of the Knights Templar Conclave.

The Y. M. C. A. in this city has given up the ghost and died for want of proper support. The Directors will meet today and wind up the affairs of the Association—it may be temporary and it may be forever.

Mrs. F. W. Harrop and daughter, May, will leave for Europe the latter part of the week. Mrs. Harrop's many friends in this city wish her a joyous visit to her old home and relatives and friends and a safe return.

The uncertainty of human life was never more forcefully illustrated than by the results of the recent wreck in Fleming county. Undertaker Harry Thomas of the Commandery, who had charge of the remains of the aged Mr. Rankin, and was en route to Hillsboro for the interment, lost his life in the wreck and was strangled dead within a few feet of the corpse. The body of Mr. Thomas passed through here Sunday morning en route to Covington on the C. and O.'s No. 1. for burial.

"LIVES OF GREAT MEN ALL REMIND US!"

The story of how Marshall Field amassed his great fortune may be told in a few words. He had something to sell and advertised it.

Most ANY MAN LOOKS WELL IF PROPERLY DRESSED.

Of course we can't take an ape or a man whose ancestors walked on all fours and make him look like an Adonis or a Beau Brummel; but we are showing a line of Suits for men and young men that for style, fit and finish far excels anything we have ever shown, and we have always shown the BEST. We invite comparison—see what the other has and then look at ours.

Our Children's Department—Suits from 3 to 16 years—We are showing a very complete assortment at very reasonable prices.
